

## **CCSC COACHING RESPONSIBILITIES**

All Coaches must complete a Club application and be approved by the Club President. Coaches must be capable of demonstrating what we expect our players to learn and demonstrate at the age level selected. Coaches must have a history of playing experience and coaching. Coaches are responsible for the development and implementation of a team "training plan" – to include the skill development of each player on the team as well as overall team lineups, on field tactics and on field game strategies. Coaches are responsible for assignment of player positions on the field during training sessions and games and hold the ultimate authority concerning individual playing time.

## **CCSC TEAM MANAGER RESPONSIBILITIES**

All Team Managers are parent volunteers as elected by the team parents and coaching team. Team Managers are responsible for coordinating team meetings, administrative functions concerning the team such as player registration payments, team paperwork (player passes, insurance forms), tournament registrations and fees, financial accounting for team activities and communications with parents regarding team concerns. The Team Manager is responsible for insuring that team parents understand and comply with team rules so that parents enjoy their experiences during the season. The Team Manager must have their "finger on the pulse" of all parents on the team and are responsible to resolve any team situations during the course of the season or request assistance from the Club President. The team parents may replace Team Managers during a playing season with the approval of the Club President.
